### Club Attendance

Make-up missed meetings by visiting another club. It's a great way to see the character of different clubs, how they operate, what they are involved in and to meet other Rotarians! Even if your schedule does not allow you to attend a meeting, you can do your make-up via the web at a Rotary e-Club. Spending 30 minutes on-line constitutes a make-up! Here is the address to one of the best: <http://www.rotaryclubone.org>.

### A ROTARY SONG, by Bob Bailes

I am just a little bird with a broken wing.  
 I may not be able to fly but I can sing.  
 I am just an ordinary guy with a helping hand.  
 I guess that's why they call me a Rotarian.

### Swim marathon, landmark lightings to mark Rotary's anniversary

By Arnold R. Grahl

Rotary International News -- 3 February 2012

Thousands of participants around the world plan to swim 100 meters or more on 25 February in an effort to set a new Guinness World Record and to raise money for Rotary's polio eradication campaign.

It's just one of many events being planned by Rotarians the week of 23 February to celebrate Rotary's 107th anniversary.

The [global event](#) is being organized by the Rotary Club of Grantham, Lincolnshire, England, which has held an annual swim fundraiser since 1990 to support local charities. Participants swim laps in a pool to raise pledges during the "swimmarathons."

This year, in addition to their local event, the Grantham Rotarians decided to spearhead a worldwide swim the week of Rotary's anniversary. In order to set a new one-hour swimming record, they need 2,355 swimmers to complete more than 100 meters between 12:00 and 13:00 GMT.

So far, 78 clubs have registered to participate by holding their own swimming fundraisers for polio.

"The idea of setting a world record started as a bit of a joke," says Roger Graves, event chair. "But now that the reality has set in, we hope to set a new world record, raise funds toward eliminating polio, increase awareness of Rotary, and encourage more people to swim and stay fit."

### Other events

Among other events being planned around the world to mark Rotary's anniversary, teams of Rotarians from the United Kingdom, the Netherlands, and the United States will volunteer during National Immunization Days in India, 19-22 February, in advance of a polio summit 25-26 February in Delhi, India. In Pakistan, a new "This Close" print advertising campaign will be launched featuring Aseefa Bhutto Zardari, the president's daughter and the country's ambassador for polio eradication.

Also, throughout the week of 23 February, Rotary clubs and districts will be illuminating landmarks around the world with the End Polio Now message.
