Club Attendance

Make-up missed meetings by visiting another club. It's a great way to see the character of different clubs, how they operate, what they are involved in and to meet other Rotarians! Even if your schedule does not allow you to attend a meeting, you can do your make-up via the web at a Rotary e-Club. Spending 30 minutes on-line constitutes a make-up! Here is the address to one of the best: <http://www.rotaryclubone.org>.

A ROTARY SONG, by Bob Bailes

I am just a little bird with a broken wing.
 I may not be able to fly but I can sing.
 I am just an ordinary guy with a helping hand.
 I guess that's why they call me a Rotarian.

Some ways to get more out of Rotary in 2012

By Antoinette Tuscano

Rotary International News – 3 January 2012

Be part of Rotary's efforts to End Polio Now -Consider planning a fundraiser for polio eradication, or having your club or district [light up a landmark](#) as part of Rotary's anniversary celebration on 23 February. Rotarians have made great progress in the push to end the disease, but the job isn't finished yet. As little as US\$0.60 can help immunize a child against the incurable disease. [Contribute to PolioPlus](#), and [learn more about Rotary's eradication efforts](#).

Think strategically and set club goals -A new online assessment tool will be launched in July to help clubs set goals and track their accomplishments, such as contributions to The Rotary Foundation. Available in Member Access, it will replace paper-based tracking methods and help RI measure Rotary's global impact. Help your club work more efficiently by using the tool to set and measure club goals.

Help the Foundation fulfill its mission -Make a resolution to donate \$100 to the Foundation's [Annual Fund](#) in 2012. You can [make a one-time contribution or a recurring gift](#). Learn how your club or district can make a difference in one of Rotary's [six areas of focus](#) with a [Foundation grant](#).

Get inspired at the RI Convention -The 2012 RI Convention in Bangkok, Thailand, 6-9 May, will feature speakers including Nobel Peace Prize recipient Muhammad Yunus and Global Poverty Project CEO Hugh Evans. And, along with thousands of your fellow Rotarians from around the world, you'll be able to attend workshops on topics such as membership, leadership, and [Future Vision](#). [Register today](#).

Celebrate 50 years of Interact -[Interact](#) will celebrate its 50th year in 2012. Since the first club was established in 1962 at a high school in Melbourne, Florida, USA, thousands of communities worldwide have benefited from Interactors putting Service Above Self. The program has helped countless youth develop leadership skills, meet new friends, and become more familiar with Rotary. Rotary clubs that sponsor an Interact club gain fresh insight into service and help develop future Rotarians. If your club isn't already involved in Interact, consider sponsoring a club.

Publicize your good work -[PR grants](#) enable districts to raise Rotary's profile and promote the global and local work of Rotarians by placing public service announcements on television and radio, in print media and on billboards, and on the Web. Help your district apply for a grant by 4 March. To further promote your club's signature activities, be sure to update your website with information about your projects and meetings. Also, start a [social media](#) page, such as Facebook and LinkedIn.
